

Jaccard overlap scores (Metazoa)

Similarity between the Kingdom-level distribution of ICL with other domains

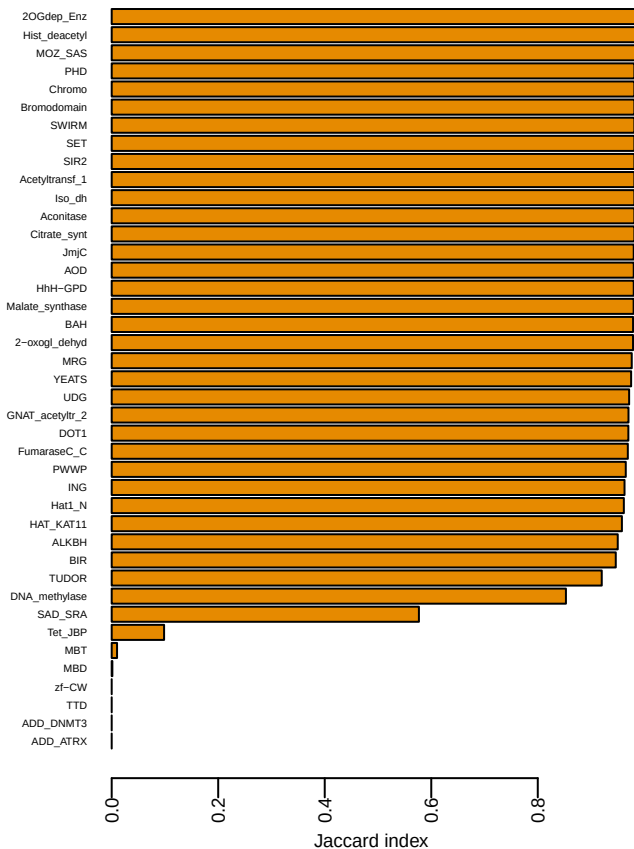

Jaccard overlap scores (Premetazoa)

Similarity between the Kingdom-level distribution of ICL with other domains

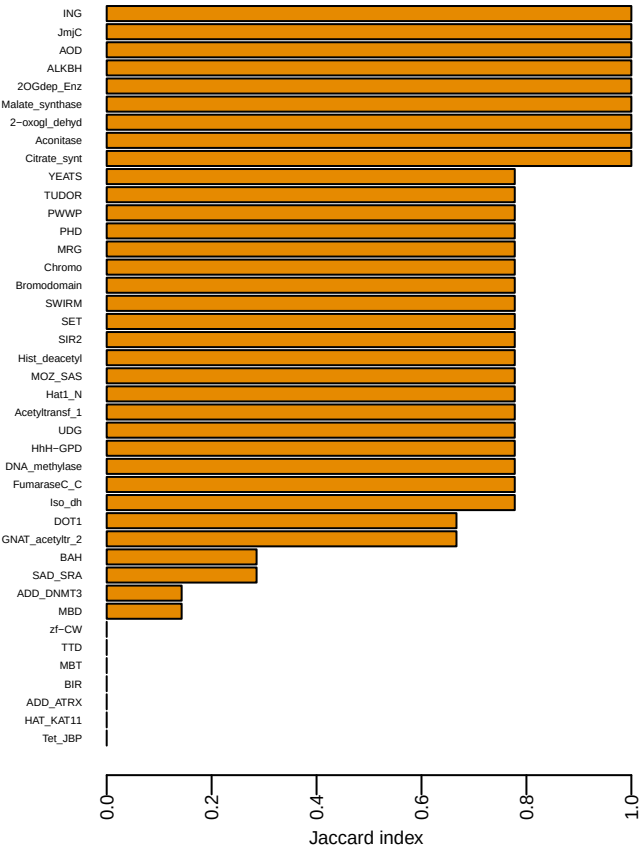

Jaccard overlap scores (Fungi)

Similarity between the Kingdom-level distribution of ICL with other domains

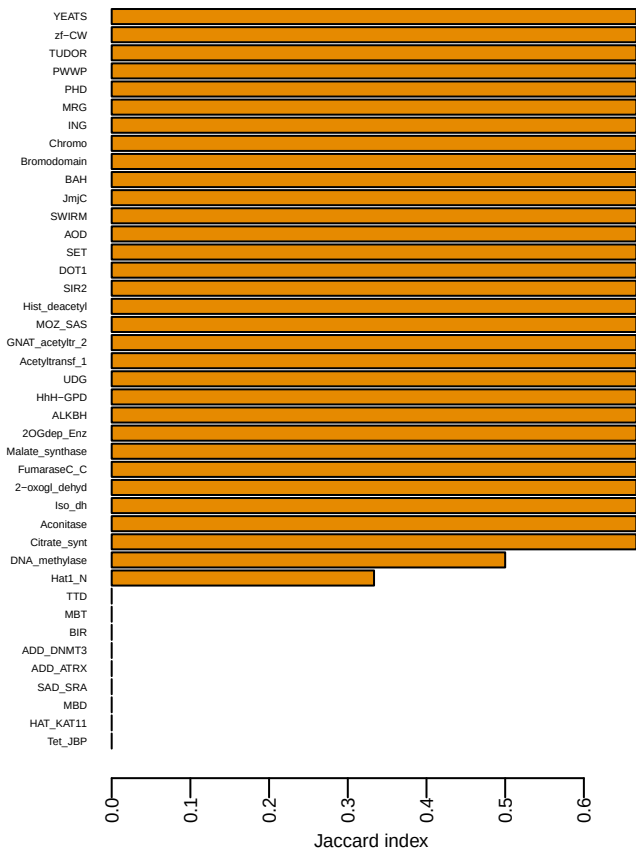

Jaccard overlap scores (Amoebozoa)

Similarity between the Kingdom-level distribution of ICL with other domains

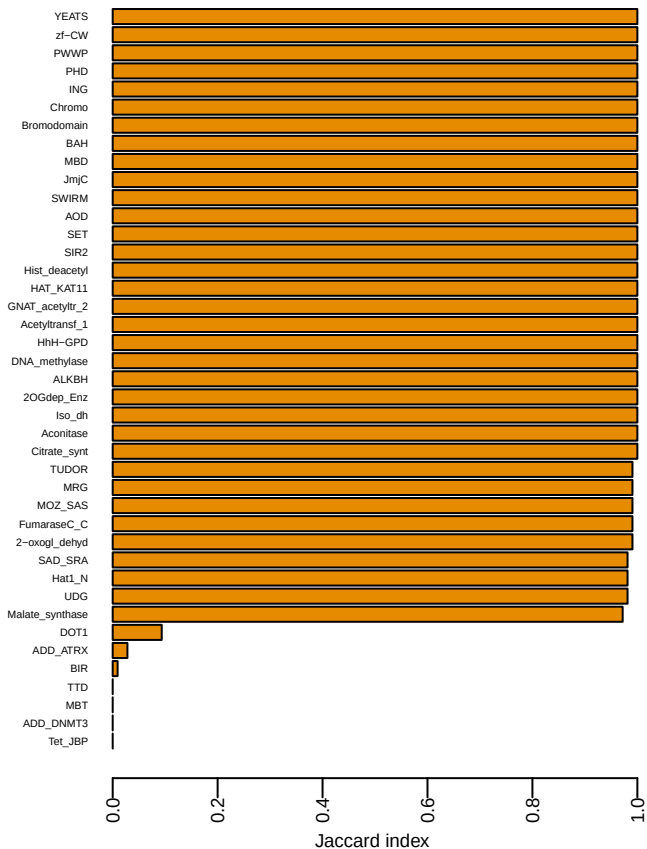

Jaccard overlap scores (Malawimonada)

Similarity between the Kingdom-level distribution of ICL with other domains

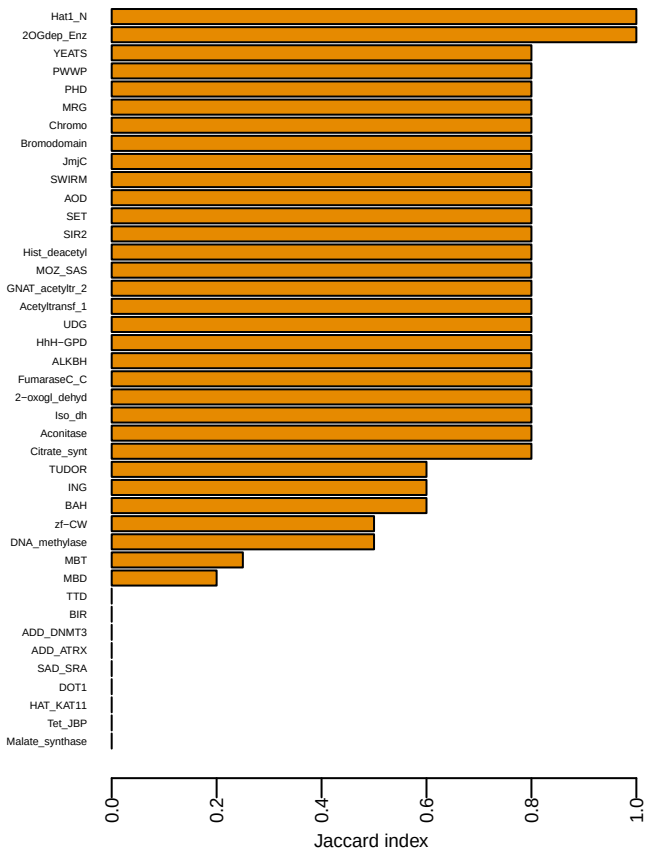

Jaccard overlap scores (Viridiplantae)

Similarity between the Kingdom-level distribution of ICL with other domains

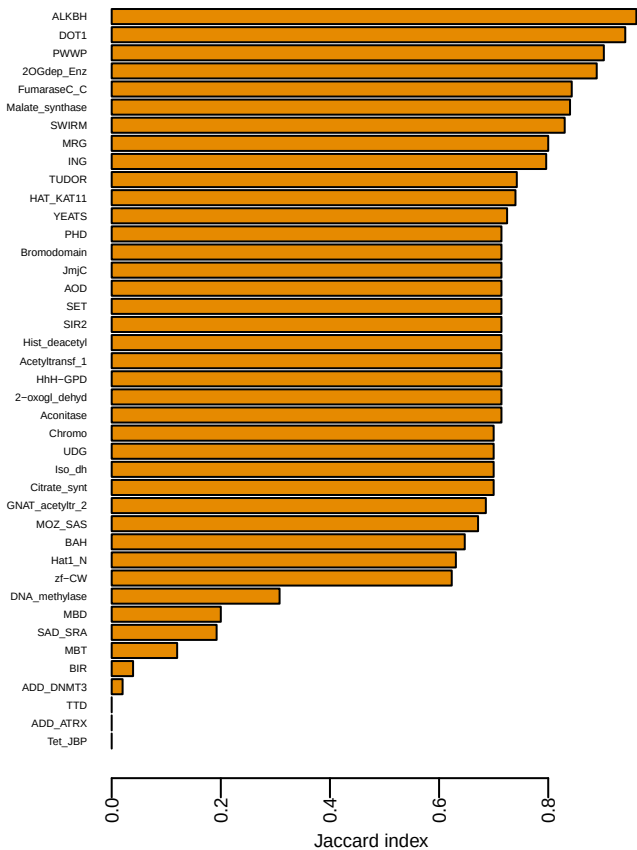

Jaccard overlap scores (Rhodophyta)

Similarity between the Kingdom-level distribution of ICL with other domains

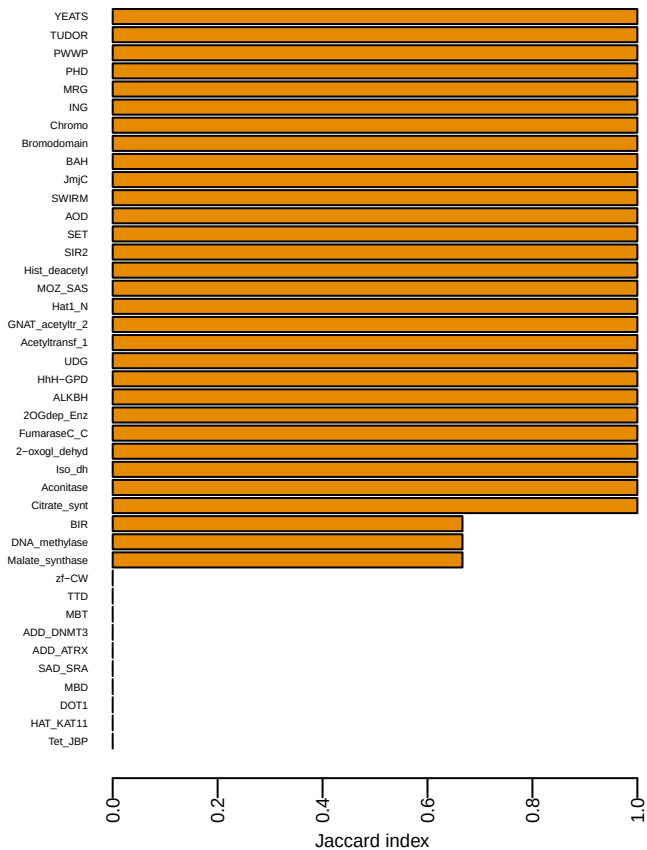

Jaccard overlap scores (Chromista)

Similarity between the Kingdom-level distribution of ICL with other domains

Jaccard overlap scores (Jakobea)

Similarity between the Kingdom-level distribution of ICL with other domains

Jaccard overlap scores (Heterolobosea)

Similarity between the Kingdom-level distribution of ICL with other domains
