

Jaccard overlap scores (Chordata)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

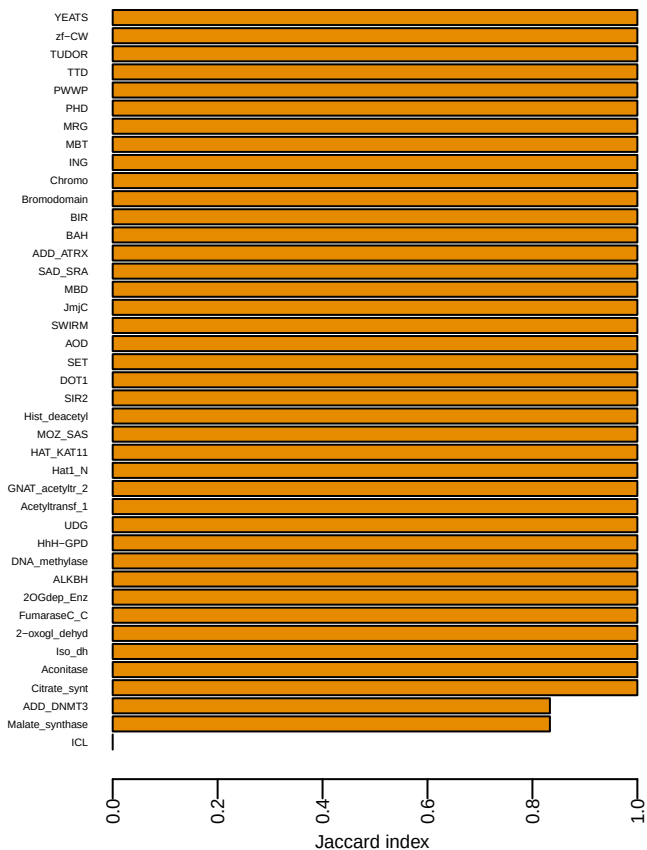

Jaccard overlap scores (Hemichordata)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

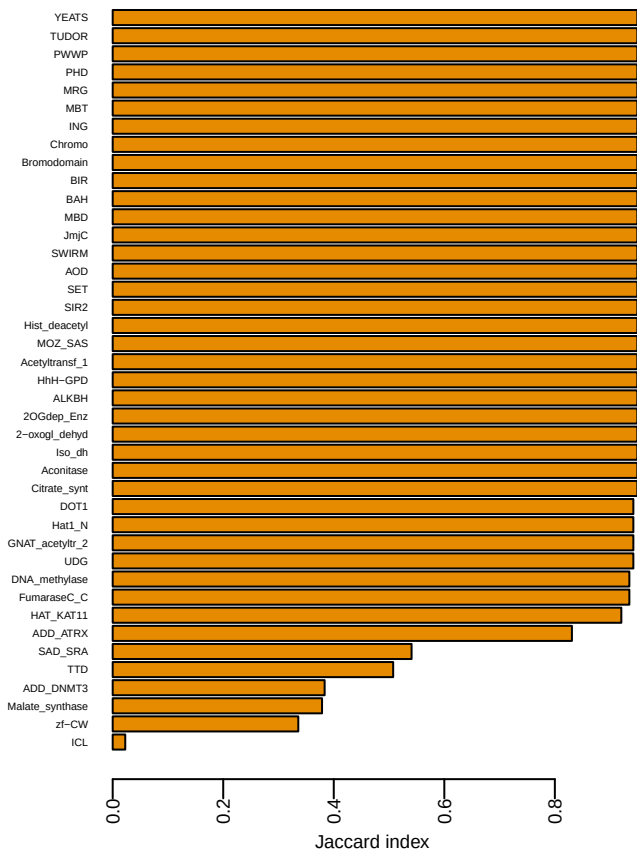

Jaccard overlap scores (Echinodermata)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

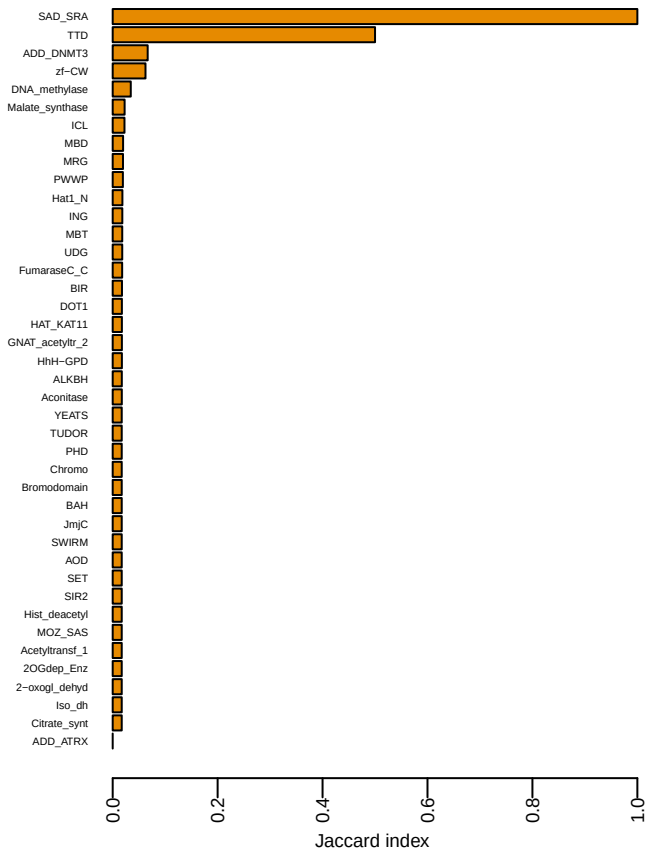

Jaccard overlap scores (Arthropoda)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

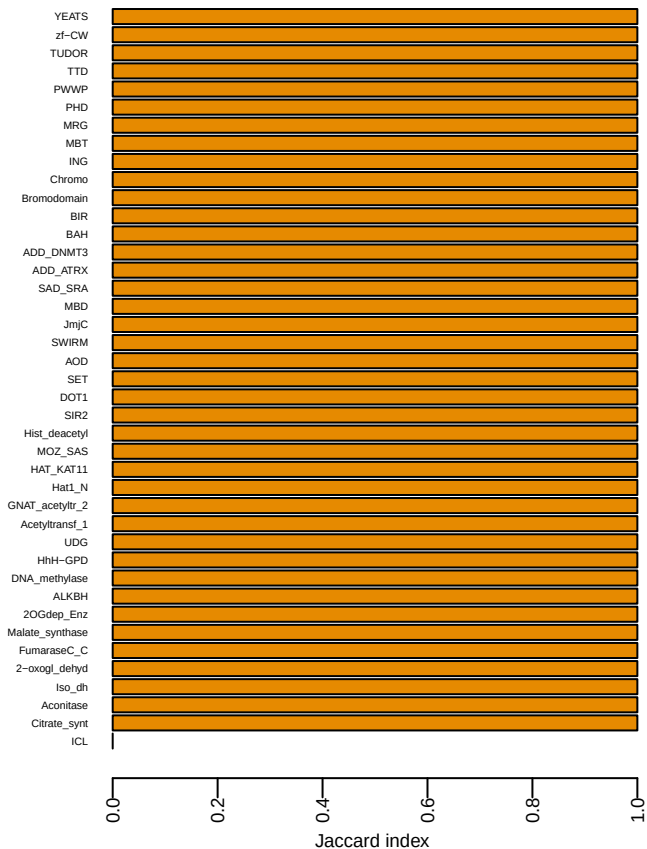

Jaccard overlap scores (Nematoda)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

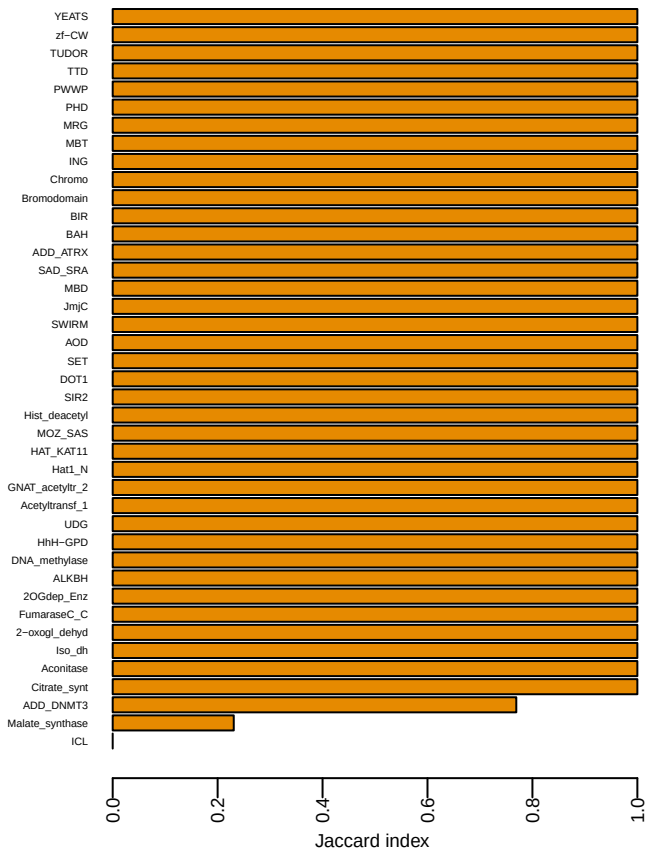

Jaccard overlap scores (Priapulida)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

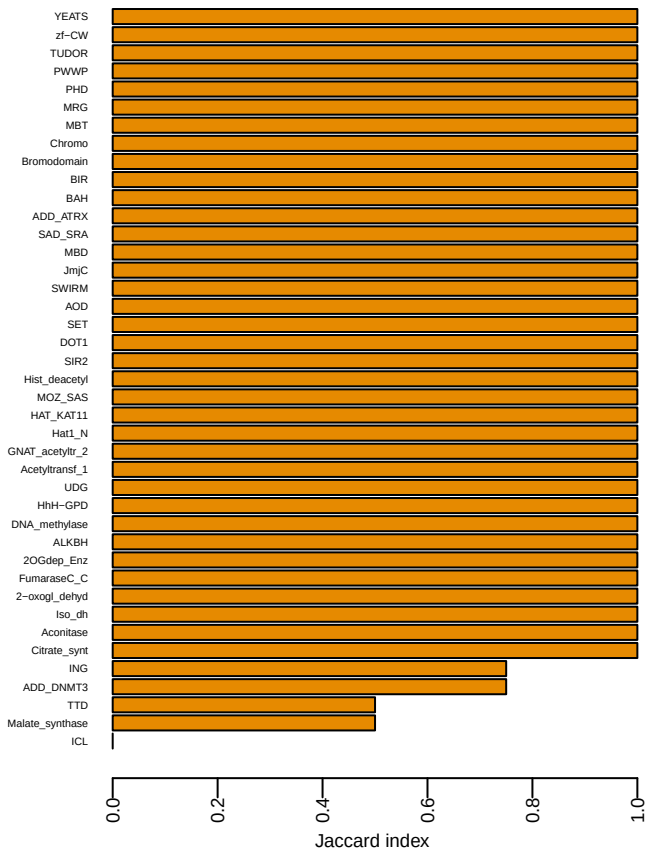

Jaccard overlap scores (Mollusca)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

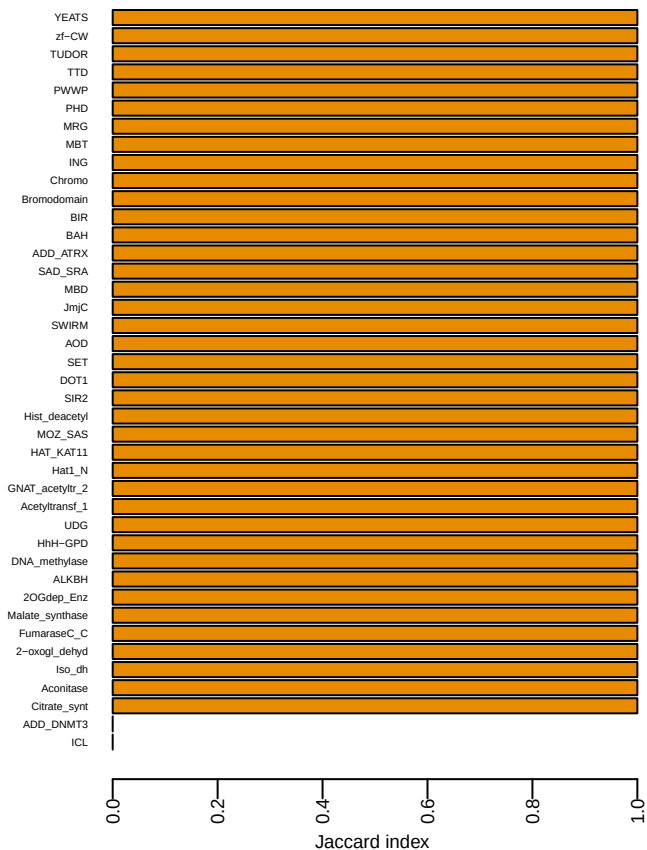

Jaccard overlap scores (Annelida)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

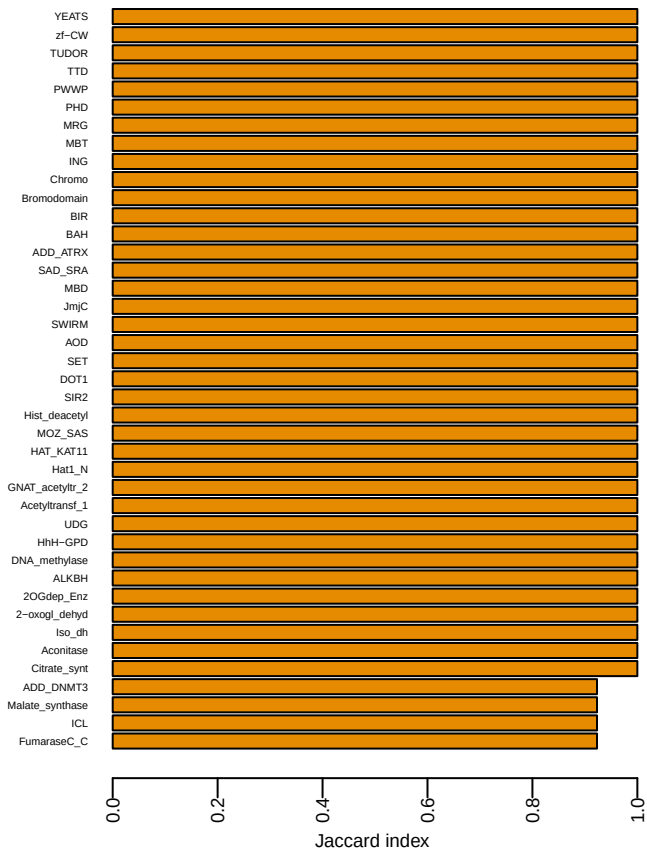

Jaccard overlap scores (Brachiopoda)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

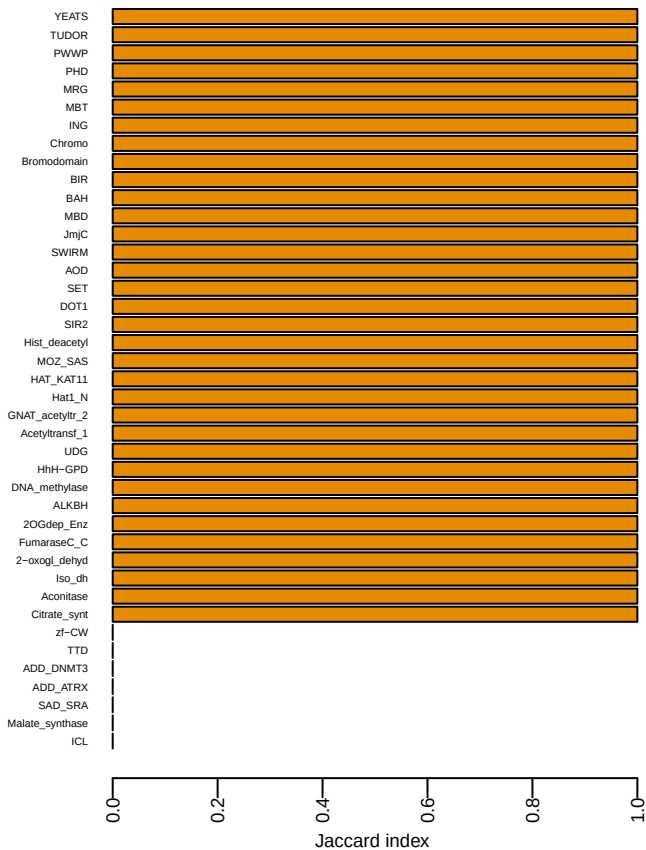

Jaccard overlap scores (Cnidaria)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

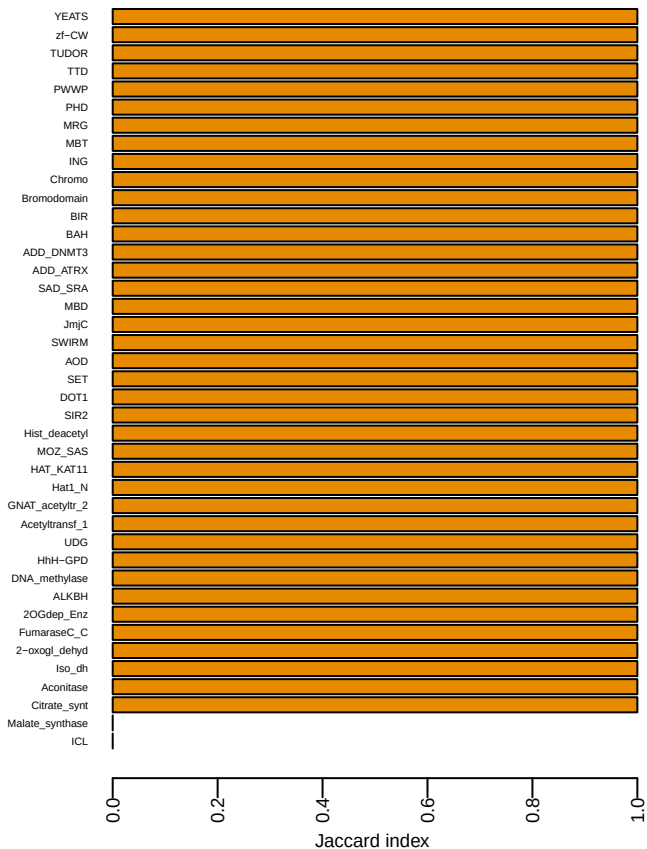

Jaccard overlap scores (Placozoa)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

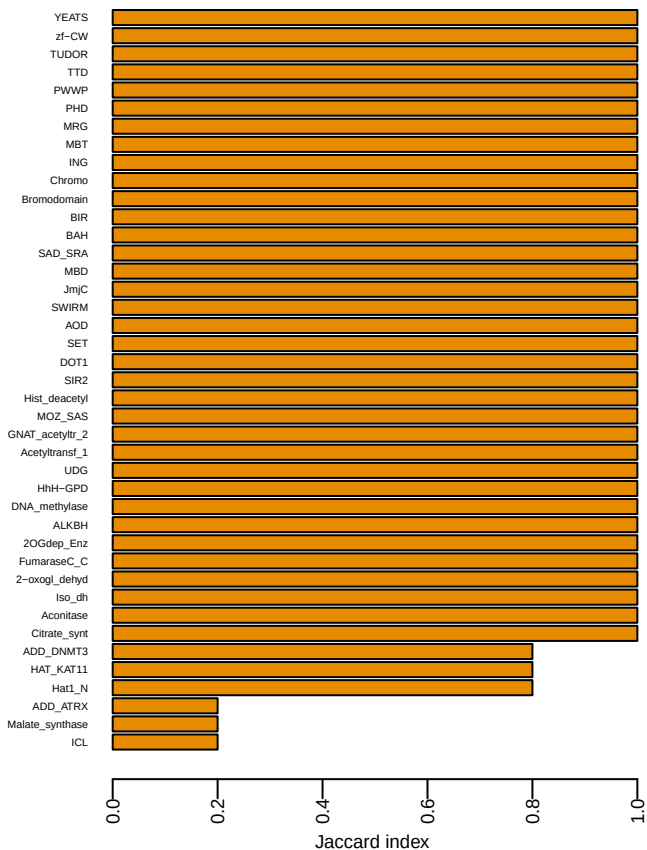

Jaccard overlap scores (Ctenophora)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

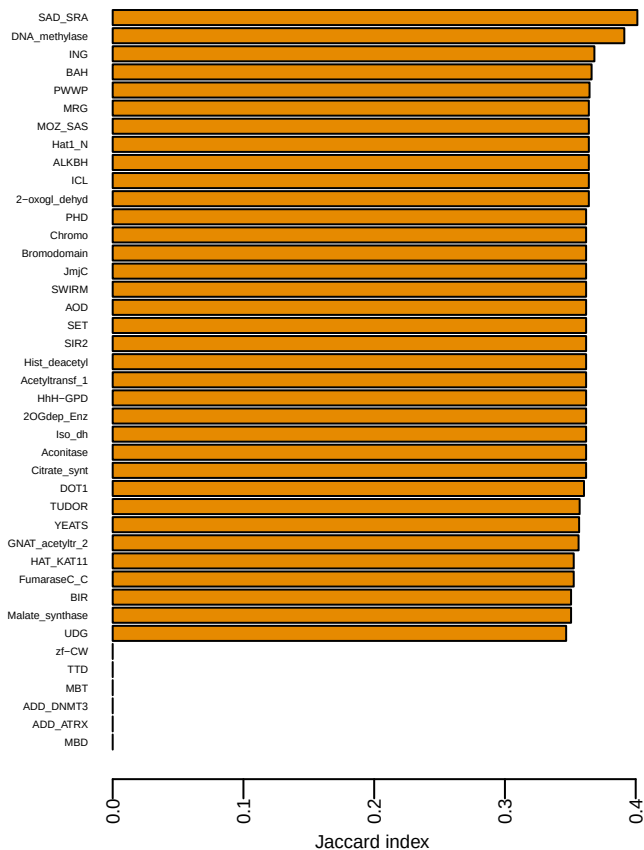

Jaccard overlap scores (Porifera)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

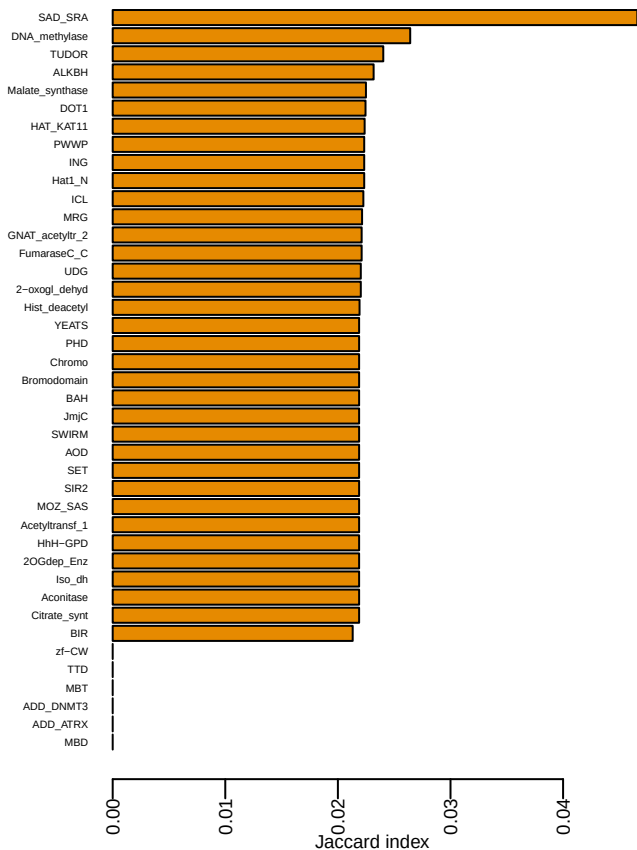

Jaccard overlap scores (Basidiomycota)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

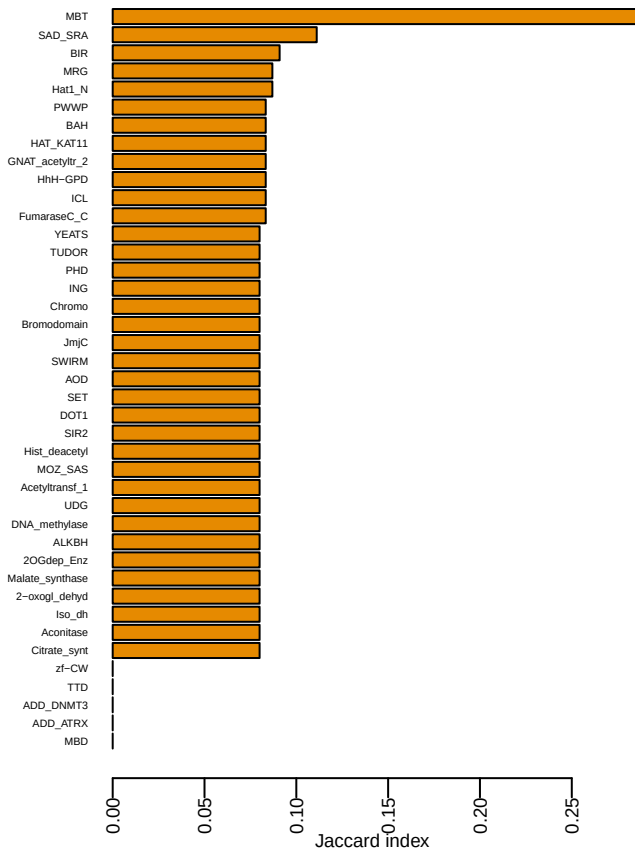

Jaccard overlap scores (Ascomycota)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

Jaccard overlap scores (Mucoromycota)

Similarity between the Phylum-level distribution of Tet_JBP with other domains

Jaccard overlap scores (Euglenozoa)

Similarity between the Phylum-level distribution of Tet_JBP with other domains
